Dear Lea

I am unsure why BONFANN 25-75 is being cancelled and registered as Sold Commercial. This calf is still with its mother in the herd so I do not know how this error crept in - I would appreciate it if you could please reverse this.

In addition, the inspection done for Annandale Bonsmaras on the 8th June by Theuns Pistorius has still not been loaded on Logix - I am confident that Theuns sent his report to Bonsmara SA - so not sure if you still waiting to receive it from them, or if it is perhaps in a queue waiting for processing at your end?

Regards

John
