As die lam lewendig gebore word, normaal gebore word, sal jy n ID nommer moet gee, want jy gaan mos nie weet dat lam oor n week of wat sal dood gaan nie.

Dit is net dood by geboorte of stillborn lammers wat jy nie ID nommers hoef te gee nie.

Hoop dit maak vir jou sin.

Subject: Re: TRANSFERS - 2256 BBG/0734693

Hallo Natascha,

A/B/SP word bepaal wat die ouers se statusse is. Hierdie word volgens die Rasstandaarde wat vasgestel word deur die Genootskap

REI - HERINSTELLING - Reinstaat - Dit is as n dier gekanselleer was en moet weer vir een of ander rede weer aktief gemaak word.

REG - is as dier as n geboorte ingekom het soos 2256 25 06 LMB Lamboek is,

en word voorgelê vir keuring, verander die LMB na REG. Dit is net om aan te toon dat die dier wel geïnspekteur is.

Hoop dit maak sin.

Kind regards / Groete

Hallo Natascha,

Transfers are done.

Births are registered.

25 06 and 07- to register them as birhts, the sire must be known. Both parents are needed to register a birth. These lambs must be inspected as basic animals. Only the mother can be linked to them as soon as they are register as basic animals.

Kind regards / Groete

Good Morning,

I refer to the attached transfers.

Please assist with Invoices of these purchases. If you don't have Invoices, please give the Auctions name and date. I also need the Lot number of each animal.

Which name you used to buy these animals? Is it the same as your Studbook

membership name - Ongegun Boer Goat Stud? If it is different, please assist.

I need the 2025 buck and doelings full ID numbers. Are these lambs from the mothers on the list?

Kind regards
