Goeiemiddag almal

Ek sien die getekende vorm was by die e-pos aangeheg wat Hella op 30 Julie gestuur het, ek het net die Afrikaanse vorm gekyk waarop daar nie 'n handtekening was nie, het nie die Engelse vorm gekyk waarop Tegniese Adviseur se handtekening wel was nie.

Lea, hieronder dan ook die antwoord van Sunja.

Ek vertrou alles wat nodig is, is dan in plek? Laat weet gerus as ek nog iets moet stuur.

Subject: Re: Opgraderings versoek: Basis Diere (F0) na Aanhangsel A / TRISTONE BUSINESS TRUST (0680092BON)

Beste Albe, Hella en Lea (Ek sluit sommer vir Lea in by die epos)

In Namibie hoef slegs die vaar bevestig te word deur middel van DNA of Genomika.

Uittreksel uit die SKV Notule 2025.

7.1.1 Aanhangsel-A: Dier status: Aanbeveling & terugvoering van die Senior Keurders

Basis diere word net so streng soos SP diere gekeur. As sodanige diere

RE: Opgraderings versoek: Basis Diere (F0) na Aanhangsel A / TRISTONE BUSINESS TRUST (0680092BON)

word en die basis keuring geslaag het, na Aanhangsel-A.

Hierdie diere se nageslag wat alreeds gebore is, as daar is, sal na Aanhangsel-B opgradeer word as die vaderskap van hierdie diere ook bevestig kan word. FO diere sal nie 'n hoër status as Aanhangsel-A gegee word nie. Slegs kalwers aan voet kan opgradeer word, nie kalwers wat gebore is voordat die moeder gerigestreer is nie. (SKV, RV 2024)

o Nuwe aankomelinge vanaf Aanhangsel A + SP bul:

Vroulik: nageslag word Aanhangsel-B indien gekeur word.

Manlik: word Aanhangsel-B / "graad bul" en moet prestasie getoets word, maar nageslag kan nie aangeteken word nie. Hierdie bul kan van die plaas en op 'n veiling verkoop word.

'n Amptelike skrywe is aan Lea, Nina en Herman Labuschagne by SA Stamboek gerig dat die goedkeuring tot verandering van diere na 'n ander status bv. opgradering na Aanhangsel-A, slegs van Namibiese Bonsmara

Unistel dokumente as bewys van vaderskap met 'n SP bul en die keuring verslag sal die goedkeuring vergesel.

Ek vertrou die is selfverduidelikend.

Groete

Subject: Opgraderings versoek: Basis Diere (F0) na Aanhangsel A / TRISTONE BUSINESS TRUST (0680092BON)

Beste Sunja en Hella

Met die opgraderingsversoek van Tristone Business Trust – ek sal die e-pos hierna vir julle weer aanstuur, met die aangehegte dokumente – het Lea die volgende vraag gevra:

"Middag almal, as ek net kan navraag doen.

Vir Basis-diere om te kan opgradeer moet beide ouers bevestig word. Ek wil net hoor of dit verander het, want hierdie diere se vaars word bevestig, maar nie die ma's nie?

RE: Opgraderings versoek: Basis Diere (F0) na Aanhangsel A / TRISTONE BUSINESS TRUST (0680092BON)

Hoor graag wat om te doen, dankie."

Dr Joggie het as volg daarop geantwoord:

"In Namibië hoof ons slegs die vaderskap van die Basis-dier te bewys vir opgradering na Aanhangsel A.

Jy moet egter jou antwoord aan Lea koordineer met Tegniiese Komitee en Sunja."

In hierdie verband wil ek dan net graag met julle bevestig dat dit in orde is dat die opgradering gedoen kan word sonder dat die moeder bevestig moet word. Indien ek bevestiging van julle ontvang, kan ek dit dan weer so met Lea bevestig.

Ek hoor graag van julle.

Groete

Beste Albé en Raadslede

VERSOEK: OPGRADERING VAN BASIS VROULIKE DIERE NA AANHANGSEL A

Eerstens wil ons baie dankie sê aan Hendrik en Sunja vir hul besoek aan plaas Hartebeestloop op 13 en 14 Julie 2026 vir ons jaarlikse keuring.

Vyf vroulike diere is aangebied vir Basis Keuring en al vyf is goedgekeur. Lea Jonker by SA Stamboek het die basis koeie aangeteken teenoor die kudde profiel van Tristone Business Trust (0680092BON).

Opgraderings versoek: Vier (4) Basis Diere

Ons wil hiermee 'n versoek rig via die Genootskap vir die opgradering van **vier (4)** Basis Vroulike Diere (F0) na Aanhangel A. Die vaderskap van die onderstaande Basis Diere is bewys per DNA.

KOEI ID	LOGIX NO.	UNISTEL DNA NO.	VAAR	DATUM ANALISE (DNA)
HART 22-0538	6020 64 8264	16284U003	HT 17-0087	15/01/2024
HART 22-0542	6020 64 8694	16284U005	HT 17-0087	15/01/2024
HART 22-0544	6020 64 8272	16284U006	HT 17-0087	15/01/2024
HART 24-0465	6020 64 8710	26527U002	HART 21-0402	29/04/2026

Let wel dat die 5^{de} basis koei (HART 23-0520) se vaderskap nie suksesvol kon bewys word nie. Dus bly HART 23-0520 se aanhangel status onverander m.a.w. F0.

P.O. Box 40257, Ausspannplatz, Windhoek | A.B. May street no 10, Ausspannplatz, Windhoek
Tel: 00264 (0) 61 296 5800 | Fax: 00264 (0) 61 296 5899
E-mail: jbried@joggie.com.na or hart@joggie.com.na

Vir die Genootskap se oorweging en rekord doeleindes is die volgende dokumente aangeheg:

1. Unistel DNA verslag **26527U** (29/01/2026)
2. Unistel DNA verslag **16284U** (15/01/2024)
3. Basis Diere Keuringsvorm (14/07/2026)

Dankie byvoorbaat vir die hulp met die versoek en vir die verdere hantering daarvan in samewerking met SA Stamboek.

As daar enige ander inligting is wat jul mag benodig, kontak ons gerus.

Groete

Joggie Briedenhann
