Good morning Elize

I hope that you are keeping warm in this rather chilly winter weather!

Sadly we have had to put down three of our old brood mares over the last few months. Please can you remove them from our Kuddelys:

Moolmanshoek Helly 0012760773

Moolmanshoek Thandi 0013413570

Moolmanshoek Frieda 0012825683

Many thanks.

Warm Regards
