Hi Suzette / Christine

I have now sorted out the payment issues of Royal Stud Farm. Please could you make the following transfers.

1. Phetsa Ndalngamandla (I think he is now a registered member though he was a non-member at the time of the sale) bought the following animals – please transfer them to him. Many other were already transferred to him but not these 2 animals.
 - RSF 23-005
 - RSF 24-021
2. Please transfer the following animals to QA de Bruyn of Vastrap Boran
 - ZIP 22-028 plus her calf RSF 25-011
 - ZIP 20-106 plus her calf RSF 25-012

Once you have made these transfers, please let Christine know, because I want to cancel Royal Stud Farms Boran stud from the system. Christine, will this notification do or do you need me to send you a deregistration notification letter directly?

Thank you
Quentin
