Good afternoon Suzette

I am so sorry to worry you once again today – but Keith has asked me to please fix an error that has been brought to his attention.

This year (2026) on the Pioneer Sale we sold an animal (PRB 23-71; Computer no. 0096038724) to Mr Hugo van Reenen, which has been captured correctly.

However, somehow an animal with a similar number (PRB 22-71; Computer no. 0094496007) which was sold on the Pioneer Sale in 2023 with her dam (PRB 20-06; Computer no. 0090256272) has also been captured has having being sold to Mr van Reenen on the 2026 Pioneer Sale – which is not possible as she was sold as a calf with her dam to Sterkfontein Borane in 2023.

Would you kindly correct this error. I hope I have explained it clearly.

Kind Regards and God bless...

Karen Arthur
