Subject: ***SPAM*** Change of ownership

Good day,

My name is G.D. Pomegbe (0735496). I am writing to request a change of ownership for my female dog, Aphrodite Maxi, with microchip number 991001004164265.

The new owner is Jackson Arthur (0704884), and I would like the ownership records to be updated accordingly.

Please let me know if any additional information or documentation is required to complete the change of ownership.

Thank you for your assistance.

Kind regards, G.D. Pomegbe
