Dear Ms Gledenhuys

REQUEST FOR EXEMPTION FROM PRE-BREEDING CONTAGIOUS EQUINE METRITIS SURVEILLANCE REQUIREMENTS FOR FOAL NAMED SAMLEY VICTORIA SECRET

Reference is made to the application by SA Stud Book for exemption from a pre-breeding CEM clearance certificate in the email dated 6 August 2026. The Director: Animal Health hereby informs you that exemption from the requirement for a pre-breeding CEM clearance certificate for Quarter horse "Rock Rockey" is granted for the registration of the following foal only:

Samley Victorias Secret

Computer number: 0013484175

DNA Ref Number: 260468H001

Date of birth: 15 July 2020

Breed: Quarter horse

Sire: Rock Rockey

Dam: Calcrete Sabrina Queen

The foal Samley Victorias Secret has been tested for CEM and her CEM clearance certification has been provided. SA Studbook has confirmed that Rock Rockey has died and proof that he has been cancelled from the SA Studbook system has been provided. If SA Studbook or the breed society becomes aware of any breeding taking place or of foals produced from Rock Rockey after the date of death these entities are required to:

1. Notify the Director: Animal in writing within 24 hours at PA.DAH@dalrrd.gov.za and KerryL@nda.gov.za;
2. Suspend registration of foals pending written approval by the Director: Animal Health;

3. Provide the Director: Animal Health with all relevant contact details for the owner or manager of the property and the owner of the horse. Please forward such in writing to PA.DAH@dalrrd.gov.za and KerryL@nda.gov.za.

Please note that this exemption does not in any way alleviate the requirements for registration as set out in any other official document or from compliance with any other relevant Act of the Republic of South Africa.

We thank you for your kind support

Yours sincerely,

Dr Mpho Maja
DIRECTOR: ANIMAL HEALTH
