Beste Janice! Beste Lea! Beste Albé!

Hiermee amptelike bevestiging asb om die proses te finaliseer.

Dit is nie nodig om enigsins die raad hierby te betrek, dit sal net goed wees om dit vir die raad vir kennisname deur te gee.

Die raad kan maar net kennis neem dat dit belangrik is dat die telers alle korrespondensie vir oorskrywings goed bewaar (wel gedaan, Janice!) omdat so heir en daar prosesse in die slag bly.

@Albe - Bonsmara Namibia - jy kan asb net vir die raad vir kennisname aanstuur dat ons hierdie proses moes "her-aktiveer" (en asb geen lang korrespondensie nie - dit is alles in die verlede afgehandel)

@Janice Mouton - kontroleer dan asb op Logix of die koeie se goed gelaai is

@Lea - kan jy asb die aangehegde dokumente teenoor die koeie laai sodat hulle net 'n waarskuwing wys, maar nie heeltemaal geskrap is op ons katalogus vereistes nie?

Met dank en vriendelike groete,

Beste Albe!

Hieronder ou korrespondensie, wat ek nie as finaal afgehnadle kan sien nie.

I sdaar dalk enige korrespondensie rakende koei SBB18-27, wie se TKP te groot was, en wat goedgekeur is?

Daar bestaan niks by SASTamboek nie, maar die diere se geboortes word aangeteken?

[@Janice Mouton](#) en [@Wessley Mouton](#) kan julle dalk asb by Lea navraag doen hoe geboortes aangeteken kan word?

Daardie dokumentasie sal ons dan benodig om die bul vir die veiling te kan oorskryf...

Dit gaan oor bul MFB23-41 se moeder.

Daar is ook 'n aanhagsel met die benodigde agtergrond.

Ek het ongelukkig hier die finale uitsluitseld nie ontvang nie.

Dan ons enige ondersteuning hier kry om die probleem op te los asb?

Dis net 'n admin ding....

Met dank en Groete,

Hi Hella

Please see the email trail attached.

I see I followed up as we had sent through 3 cows and their calves, but we only received a response on the 1.

Not sure whether Renee did anything since we followed up and then Albe started working there.

How can we proceed with this? What do I need to do from my side?

Any overwriting allowed?

I hope and trust so...?

Good day Hella

Hope you are well.

Please find attached our possible auction catalogue for the bulls we want to send to the auction in September. We still need to do the screening.

Kindly assist in checking with all data for these bulls are in order and that parentage is confirmed.

Let us know if there is anything else outstanding to ensure they qualify for the auction.

Have a blessed Sunday.
