Good Morning,

I apologise if I followed the wrong procedure, this is the first time I have purchased from an auction

Please find attached my CDP auction invoice

Good afternoon Fiona,

Please send any queries in connection with your BBG stud, directly to me. Not to helpdesk.

All the Auctions information work through the Society. Esna work through it and then send it to me as soon as she received it from the Auction House.

Animals are inspected before the Auction, and that inspections must be loaded before any transfers can be done.

Send the invoice of the past Auction direct to me.
