Hi Evelyn

Just to confirm that all 6 bulls sold at the National Auction were sold to commercial breeder Bloukruin Boerdery. The other 8 bulls sold off the farm were all sold to commercial breeders, so therefore no transfers to other stud breeders required.

Regards

Dave

CAUTION: External email, be careful with links and attachments.

Dear Carolyn

Thank you we received the e-mail with the cancellations.

Those culled for Old Age have been removed, but we are waiting for the National Sale Buyers List from the Auctioneers so that we may transfer the bulls to their new owners and not have to reinstate animals if they have been culled.

As soon as information is received, we will cancel the rest of the bulls. Were any others sold out of hand and should be transferred to their new owners?

Have a good week.

Kind regards
