Hi Michelle,

Sien asb die lys met notas aangeheg.

Hier en daar is die koei verkeerde nommer aangedui by die kalwers, ek het notas gemaak. Daar is ook 3 kalwers wat dood is, maar koei moet asb steeds bygevoeg word.

Voeg asb die ander koeie in blou ook by, ons het hare getrek wat moet aandui wie hul kalwers is (2025), dan sal ons hulle ook stuur wat sal maak dat die vorige kalwers beter sal deur trek.

Hoop jy verstaan.

Laat weet maar as daar iets is.

Lekker middag.

Goeie more

Dit beteken die mammas het van hulle geboortes nog geen kalfies aangemeld tot 2026 is nie so hulle kort geboortes - n koei moet maximum 39 maande wees dan moet sy kalf so 67 is ver verby as dit sin maak

Groete en lekker dag

Michelle Fisher
