Hi Marlene,

Attached is the vendor role for transfers.

PLEASE NOTE THE FOLLOWING:

- **Lot 4** – has not yet been paid for. Please **do not** transfer the animal until such time as she has been paid for and I have confirmed that the animal can indeed be transferred.
- **Lot 27** – semen lot. There is **no transfer of ownership required**. The semen is from a registered AI bull and there will be no ownership status needed to be able to register the future calves.

Please see averages as requested in the table below.

Kind regards,
