Hi Andrea

Please could you re-instate the ram HN 23-55. He is going on the Ile de France national sale in September.

I sold him to a commercial breeder last year but he never came to collect the ram and when he came this year he chose a younger ram. Sorry for the inconvenience.

Also could you re-instate the ram HN 25-104 aswell. I cancelled him by accident.

Thanking you

Regards

Howard Hobson
