DNA PROFILE FOR PARENTAGE VERIFICATION

We hereby confirm that:

Hansa Valour (W022/15) is the sire and
Marwa Wild Spirit (W007/12) is the dam of
the foal, **My Fair Lady** (W014/26/U611754).

The results of the parentage verification test depend upon the assumption that the hair samples received are from the animal as indicated by the owner/sender.

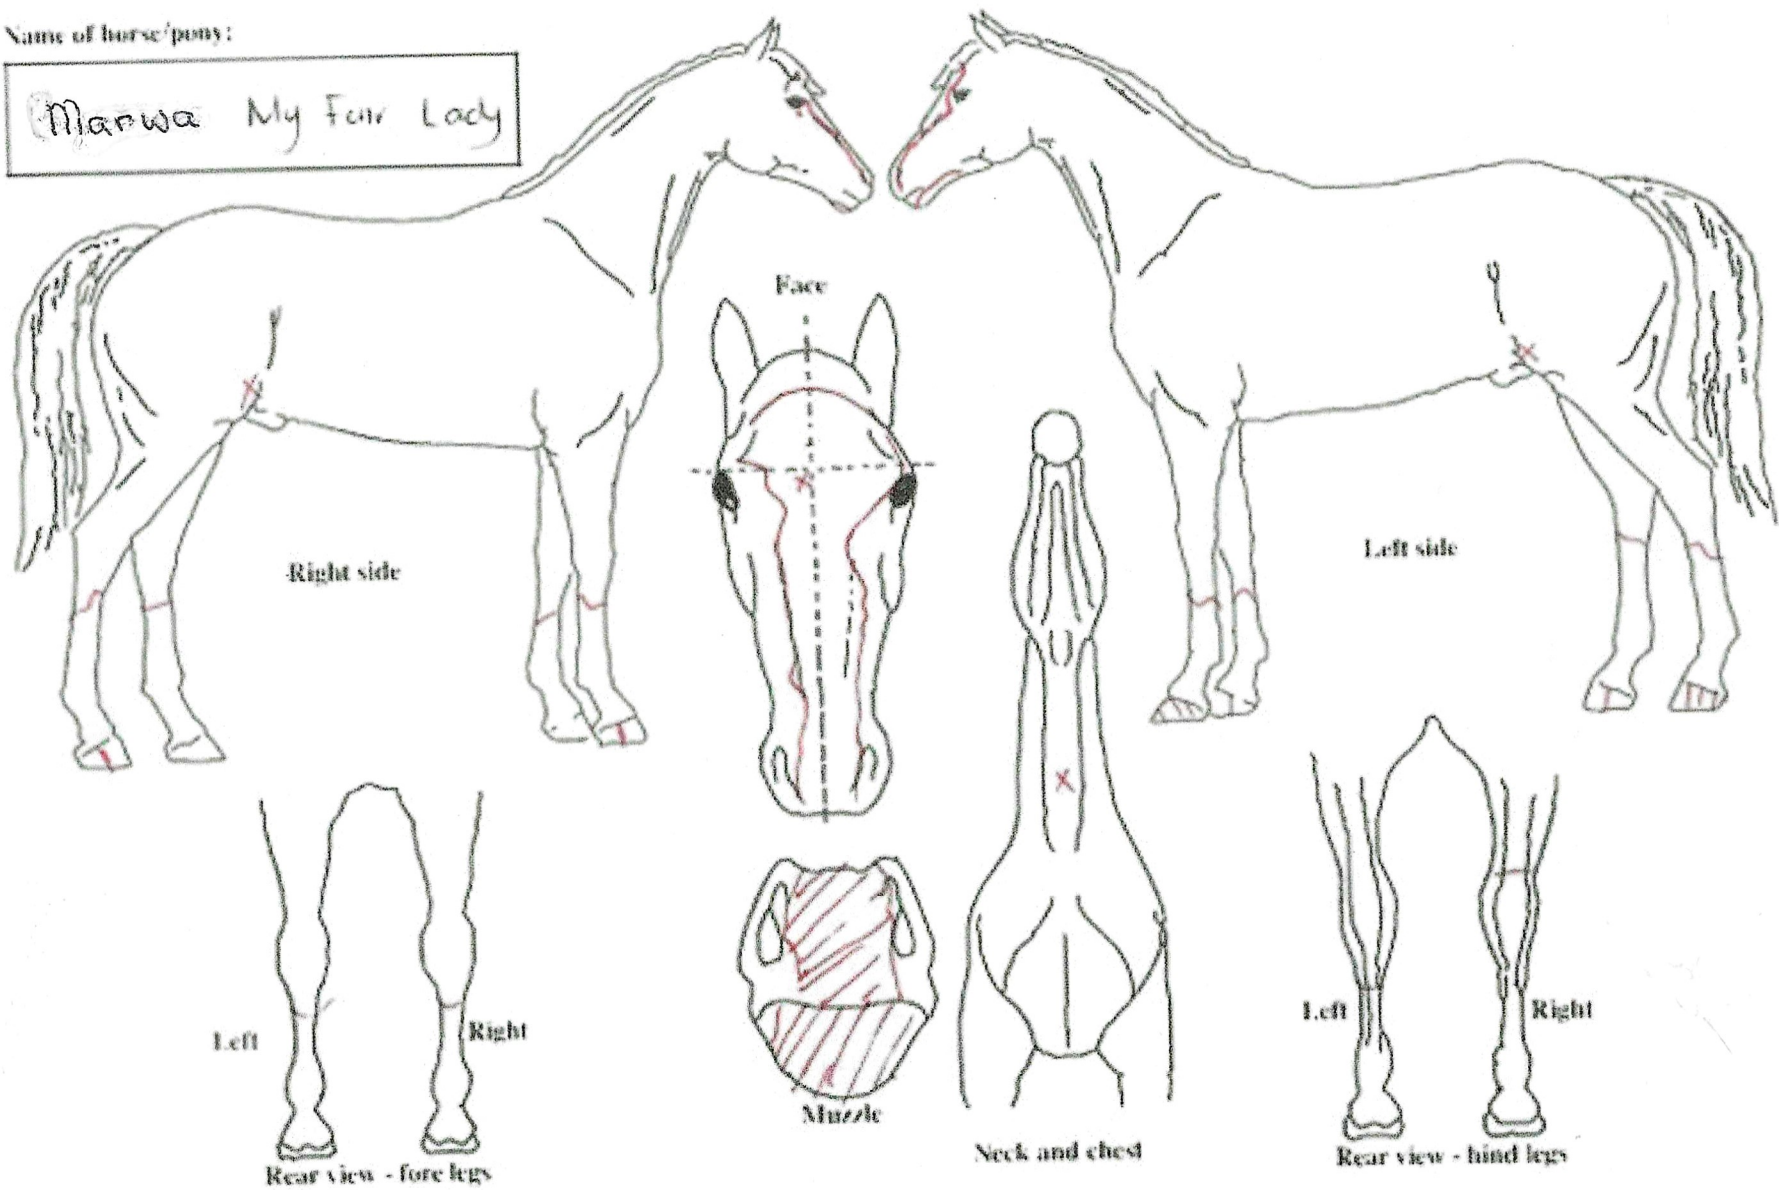

The genotypes were generated using proven technology for DNA profiling in livestock. While extensive measures were taken to ensure the integrity of these genotypes, the ARC assumes no liability for errors that may arise as a result of their veracity, interpretation and/or use.
