Hi Lea y Chantelle

I'll leave you attached a file with the inspection report from La Ciénaga. There are some females that were purchased, but their transfers were not completed because they were not registered, having not undergone inspection. The sales from "El Triunfo" to "La Ciénaga" took place on October 2, 2025, and those of "Marsala" occurred on November 11, 2025.

One female was canceled wrong so we need to reinstate her (ETR243661).

Please tell me if you need something else.

Thank you so much for your help!

Kind regards,

--
