Hi Christine please transfer SPJ 21048 and ZIP 20 077 plus her calf RSF 25004 (F) into Clameo Kahuni's name in Zimbabwe.

SPJ 21048 has 2 calves whose DNA is yet to be confirmed and they should also be transferred into Clameo's name once the DNA has been confirmed.

SPJ 21048 was originally sold to Ernest Mtangi at the Vastrap Auction a few years ago but he never settled his account hence the sale was cancelled by OVK.

Apparently Council was made aware of this requesting to transfer the animals that Mr Mtangi bought on that auction back to the original owners names by an email sent by Quentin de Bruyn.

Hope this makes sense please let me know if you need clarity ?
