On receipt of this form and passport the SAEF will ensure the horse is registered, and do the entry into a valid passport to effect the change of ownership

INSTRUCTIONS

1. Inspections: Before being used for breeding all registered animals must pass inspection.
2. Transfers: When effecting a change of ownership the seller is required to fill in the name and address of the purchaser as well as the exact date of delivery and to forward the registration certificate to the Society for official transfer. Transfers must be submitted within one month of the date of the transaction.
3. Covering certificates: The stallion owner must complete the blue covering certificate and ensure that the information compiled by him is carbon copied onto the pink and white registration application form. The blue form must be submitted to the Society by the stallion owner before 21 July, that is before the foal is born. The pink registration application form must be handed to the owner of the mare. If a pregnant mare is sold, the pink registration application form must accompany the mare and be handed over to the new owner.
4. Deaths: The Society must be notified of all deaths and the relevant registration certificate must be submitted to the Society for the necessary cancellation.
5. Spaying and gelding: In the event of a horse being gelded or spayed, notice must be given to the Society and the registration certificate must be submitted for revision.
