Subject: Re: Bronco foal registrations 2026

Hi Sandi

I hope this email finds you well!

I have finally managed to complete the 2026 registrations for you.
Kindly find attached the DNA results as well as the SAQHA registration applications.

Can you also please calculate the amount I have to pay for the 12 registrations?

I also need your advice with the registration of Doc's Choice.
I sold the mare "Fly's Choice" to Luc van Raemdonck with the option that I could still breed with her.
I bred her to "Doc Sugar Bars" but are not sure how to deal with the registration of the foal.
Do I have to sign a lease authorisation with Luc or can we just proceed with the registration?

Kind Regards

Sakkie (IJ) van der Merwe

DNA PROFILE FOR PARENTAGE VERIFICATION

We hereby confirm that:

Doc's Sugar Bars (Q096/07) is the sire and
Bronco Flys Choice (Q048/07) is the dam of
the foal, **Doc's Choice** (Q037/25).

The results of the parentage verification test depend upon the assumption that the hair samples received are from the animal as indicated by the owner/sender.

The genotypes were generated using proven technology for DNA profiling in livestock. While extensive measures were taken to ensure the integrity of these genotypes, the ARC assumes no liability for errors that may arise as a result of their veracity, interpretation and/or use.
