Hi Talisha

Sien asseblief aangehegde registrasie vorms. Let net op die teler is in Namibia so die CEM is nie va toepassing nie.

Groete

Hi Sandi

I hope this email finds you well!

I have finally managed to complete the 2026 registrations for you.
Kindly find attached the DNA results as well as the SAQHA registration applications.

Can you also please calculate the amount I have to pay for the 12 registrations?

I also need your advice with the registration of Doc's Choice.
I sold the mare "Fly's Choice" to Luc van Raemdonck with the option that I could still breed with her.
I bred her to "Doc Sugar Bars" but are not sure how to deal with the registration of the foal.
Do I have to sign a lease authorisation with Luc or can we just proceed with the registration?

Kind Regards
