Good morning Ann

Can you please assist.

Have a great day

Hi Twane

Thanks very much.

Please could you check what weight I gave you for PR 24-220? I see his index is only 49!

The weight I have is 454kg but maybe I entered it incorrectly when I sent you the list.

Many thanks

Hi there

I forwarded your weights to Ann for capturing.

Have a great week.

Hi Twane

Please see attached the weights.

Many thanks for your help.

Regards Patrick
