Sorry Bianca

I am being stupid, why do we need to change the transfer date from P. Lourens to A. Salie? There is a period of 8 months between the dates. I am happy to change the date if necessary.

I see that on the latest Logix report his CEM certificate is noted but not his Stallion Inspection form

Sue

Hello Sue

Hope all is well with you?

HANSU SEA BREEZE is in the errors waiting room with faults.

I saw that sea breeze was transferred to P LOURENS 0722592NON on 2025/10/02. Are we able to change the transfer dates maybe?

Thank you

Kind Regards,
