Hello Bianca

I'm not sure if there was a problem with this but I don't seem to have received the new certificate?

Regards

Sue

Good day Sue

I hope this email finds you in good health.

Please note that I, Ms Sedick, have unfortunately lost the registration papers for the horse Hansu Vogue.

I would like to confirm that the horse should be transferred into the name of Adeeb Abrahams.

Please let me know if any further documentation or information is required from my side to process the transfer.
