Good afternoon, all.

I have included the WSA documents I have for the Thakasile cattle.
I have NOT included the details for the deceased cattle.
I have included a list showing which cattle we do and do not have records for.
Please note that we have 2 animals numbered 218, it is not a typo on the list.

Please let me know if I can send any other information through.

Thank you for the help, and kind regards,
Raquel Knott
