The flowchart for recording a birth in the 1990s starts with a box containing '♀ 1' and '♂ 2'. From this box, three arrows lead to 'Single 1', 'Twin 2', and 'Multiple 3'. All three of these boxes have arrows pointing to a final box that says 'Mark with 1 if calf/ewe/deer not for registration'. An arrow from this final box points to the right, indicating the next step in the process.
