Hi Lea

Jy het hierdie kalf se DNA ouerskap vir my gelaai vanoggend.

Ek sien die kalf is nie oorgedra na Langkloof Bonsmara saam met die ma nie. Sal jy hom asb vir my oordra?

Baie dankie
Thys

Good day

Please see attached the result of the abovementioned batch.

We appreciate your support and look forward to working together again soon.

We trust that all information provided to us is complete and correct. We can only provide results with the information we currently have on record. Some STR profiles used in parentage analysis may have been sourced from another laboratory. While every reasonable effort is made to prevent incorrect results, Unistel Medical Laboratories does not accept any responsibility for parentage mismatches due to incompatible marker scoring strategies between laboratories.

Kind Regards,
