DNA PROFILE FOR PARENTAGE VERIFICATION

We hereby confirm that:

Quantum's Ace of Spades (H069/21) is the sire and
War Touch (H039/15) is the dam of
the foal, **Imperial Shadow** (H129/26).

San Quinten (H011/17) is the sire and
Touch of Pride (H226/14) is the dam of
the foal, **Serenade's Wildfire** (H130/26).

San Quinten (H011/17) is the sire and
October Sky (H113/10) is the dam of
the foal, **Lady Majesty** (H131/26).

San Quinten (H011/17) is the sire and
Acapulco Heat (H020/14) is the dam of
the foal, **Seraphine Rose** (H132/26).

The results of the parentage verification test depend upon the assumption that the hair samples received are from the animal as indicated by the owner/sender.

The genotypes were generated using proven technology for DNA profiling in livestock. While extensive measures were taken to ensure the integrity of these genotypes, the ARC assumes no liability for errors that may arise as a result of their veracity, interpretation and/or use.
