Good day Lynnette,

Hope you are doing well?

Yes, we did register a 2025 calf for her. I will ask Marlene to transfer the cow back to you.

Vriendelike Groete / Kind Regards,

good day

You bought this cow on nationals 2024 and then you said she had BM or something. The calf was born dead.

did you send in the info to login about the dead calf.

I see you never put her back on our name.

We bought her back from you.

Thanks
Lynnette du Preez
