Parentage Analysis Results

Parentage# 15959

Dam -> Offspring: Not Excluded
Sire -> Offspring: Excluded
Parentage: Excluded

Parentage cannot be confirmed between the offspring and the suspected parent animals provided. Some markers that were present in the subject offspring were not found in one or both of the suspected parent animals, so a paternal relationship cannot be verified.

Parentage Analysis Results

Parentage# 16321

Dam -> Offspring: Not Excluded
Sire -> Offspring: Excluded
Parentage: Excluded

Parentage cannot be confirmed between the offspring and the suspected parent animals provided. Some markers that were present in the subject offspring were not found in one or both of the suspected parent animals, so a paternal relationship cannot be verified.
