Jason,

I do apologise, have spoken to the breeder, he is not happy with us changing the mother. According to him ZEF 18-40 is the mother of ZEF 23-148.

Please just remove the genomic test and leave as is.

Thank you.

Kind regards,

Hi Jason,

Yes, please.

Currently ZEF 23-148 shows a PEN on the draft because of the mother, I can not finish the catalogue because of that.

Would appreciate it if you could just change it.

Thank you!

Kind regards,

Lea,

Die uitslae van genomiese toets tov ZEF 23-148 se moeder ( ZEF 18-040)  
verwyder dit asb. Ons as genootskap vereis nie dat moederskap bevestig  
word nie.

Baie dankie.

Groete,
