Hi Marietjie
Dra asb RAT24 2407 oor na non-member soos hier bo.
Indien nodig – doen herinstelling om oordrag moontlik te maak.

Baie dankie.

Hello Linette

Trust you are well and thank you for taking my call on Friday.

As discussed RAT 24 2407 has been sold to the same company that purchased our 4 bulls from the Midlands Elite August Sale in August 2026. RAT 23 2316 unfortunately will be sold for slaughter. Very sad indeed.

Subject: Deregistration from SA Angus Society

Importance: High

Dear Linette

Trust you are well.

This is a rather sad email for me to write.

Please could you advise me on the process to deregister our stud from the SA Angus Society once I have cancelled the registration of the two remaining bulls on our Stud Farm LOGIX?

I would also appreciate it if you could let me know if there are any additional forms or documentation that I need to complete in order to finalise the deregistration.

Thank you very much for all your assistance with this. It has been a privilege being part of the SA Angus Society, and it is certainly not an easy decision for us to make.

Kind regards

Lizzie
