Hi Lea,

Actually, the membership was never cancelled, but when we had issues with the databases, we didn't reactivate it because the status was "inactive member"—and now it is active again.

Hope it might help!

Thank you so much!

Kind regards,
Lorena

Afternoon Lorena, please help, did the breeder end his membership?

If so, he will have to re-register. Let us ask Philna for assistance.

Please Philna, if you can help. I see the breeder's membership ended in 2024?

Kind regards.

Hi Lea y Chantelle

Hope you are well!

Today I'm writing to you because we need to register some females from "La Elvira". They were breeders associated with the Studbook but when we had problems with the database it was deleted since we were not sure if they will continue with their subscription.

Can you please activate their membership and register their heifers? The females were approved as F0 by Diego Mete

Please tell me if you need something else.

Kind regards,
