Hi Lea y Chantelle

Hope you are well!

Today I'm writing to you because we need to register some females from "La Elvira". They were breeders associated with the Studbook but when we had problems with the database it was deleted since we were not sure if they will continue with their subscription.

Can you please activate their membership and register their heifers? The females were approved as F0 by Diego Mete

Please tell me if you need something else.

Kind regards,

--
