Re: Reinstatement of animals

Dear Marietjie

Bushman's Mountain Tulis requested for the following 2 animals to be reinspected:

CHR 240004 (0097370688)

CHR 24 0057 (0097408694)

The animals were inspected on 21 September 2026 by Steven Mainsheard and Dave Mullins.

The scores were as follows:

Animal ID	Computer Number	Score
CHR 240004	0097370688	8
CHR 24 0057	0097408694	7

They have been inspected by 2 senior inspectors and must be reinstated.

Yours sincerely

Steve Mainsheard
