Disclaimer

Unistel reports these results on the premise that the biological samples received are from the individual nominated by the owner/breeder/registrant. While every reasonable effort is made to prevent faulty results, Unistel Medical Laboratories do not accept any responsibility for any losses that may occur as a result of human or technical error. The results relate only to the samples tested. Should gross negligence be proven, the client shall not exceed the value of the contract. Some DNA profiles used in pedigree analysis may have been sourced from a previous laboratory. While every reasonable effort is made to prevent incorrect results, Unistel Medical Laboratories does not accept any responsibility for any major mistakes due to incorporation of other sources of material. Unistel Medical Laboratories participate in DNA comparison testing and therefore incorporate international scoring standards in the generation of our DNA profiles. This certificate represents all laboratory issued certificates.
