HI Twane

At the Heritage Beefmaster sale on 09/09/2026 we purchased 2 bulls

JB230018 Lot 3 0097399422 – This has been transferred into our name

BP240002 Lot 9 0098240070 - [@mark@begelly.co.za](mailto:mark@begelly.co.za) please can you instruct Stud Book to transfer this animal to our name. I need to import it into our Bengu Farm program, and I cannot because I do not have access to that animal.

Many Thanks
Karen
