Please send the ID number of the correct sire of 26 86. You can not correct it, only I can do the corrections.

Please do not re enter.

I can not tell how long it will take to appear. The system is very busy and sometimes a little slow because of the lots of information that entering from all the breeders.

Pls let me know after entering how long does it take to show up in the system (inventory). Once I submit it

Sorry for the trouble just new to the system. But hopefully I will have everything sorted and figured out by tomorrow

Thanking you,

Sorry 1 slight change. Pls write the names as

GPX MAGNUS

GPX MIRACLE

Any animal that I want named at my farm. I would like to have GPX infront of the name. The other kids I have not registered yet. Once I do I will send you a proper excel sheet so it will be easier that way.

Thank you and sorry for the trouble 😊
