

Die voorgestelde nuwe formaat van die Santa Gertrudis Kalender 2027.
Oopgemaak is die kalender presies dieselfde grootte as die huidige kalender. Die dagblokkies sal ongeveer dieselfde grootte wees om notas te maak. Die nuwe formaat is net meer kompak en makliker om saam te dra. Die fotoblad bly dieselfde grootte; die ringbinder is net in die middel.
Moenie hierdie geleentheid misloop om jou veiling of stoet te adverteer nie!
Onthou Maandag 28 September om te bly op die kalender maand.

The proposed new format for the Santa Gertrudis Calendar 2027.
When opened, it is exactly the same size as the current calendar. The date "boxes" will be approximately the same size. The new format is simply more compact and easier to take with you. The photo page remains the...
