Hi Christine,

Please can you confirm the information below.

Also, regarding the new calf, can we log the calf ourselves after you have completed the transfer, or will you be logging the calf for us?

Thank you for your assistance.

Hi Sinazo

If you sold the cow, then the new owner must give us permission to transfer the animal back onto your name. This should be in writing. As soon as I receive this confirmation, then there will be no problem in transferring it back to you.

Kind Regards

Subject: Assistance with Transferring a Cow Back to Us

Hi Christine,

I hope you are well.

Please could you assist me with a query? We have a cow that we previously sold, and we would like to know if it is possible to transfer the cow back into our name.
If this is possible, could you please advise us on the process and let us know what we need to do?

Thank you for your assistance.

Kind regards

Sinazo Mbhalo
