Hi Chantelle

Yes, it was cancelled but I need to update the information to ensure it is correct so I can submit the production data and improve the genetic evaluations.

Hope it might help.

Thank you!

Kind regards,

Hope you are well.

Please help, for i am a bit confused now. Refer to the attached communication, where you have requested that we cancel SAN210075 on the 9th of February 2026.

Thank you

I'm writing to you because we need to change the information about an animal from Establecimiento San Marcos, she is SAN210075, registered wrong as a male with the same info of SAN210076. The birth information about **SAN210075** is:

1. Birth date: May 4, 2021
2. Dam: SAN153360
3. Sire: Multiple sires SP
4. Birth weight: 30 kgs

Please tell me if you need something else.
