For the following tags:

Sire I entered is incorrect: 2003230631 ✕

Correct sire is: **166 22 0215**

1. 25-033 Ewe
2. 25-035 Ewe
3. 25-036 Ewe
4. 25-042 Ewe

Pls confirm once they are updated in inventory list.

If possible if you could call me that would great as I'm trying to call your landline number but it's not going through.

My mobile number is: +92 333 2404200

Hi Daleen, I have sent 11 Boer goats (BBG) for registration. Please let me know if it has went through successfully or any errors. I have also attached another sheet for the names I would like on them. Once this is done successfully then I'll be sending in the Kalahari and Savanna Kids for registration. 😊 I think I've got a grip of the system now.

Thank you,
Adeel Shahzad
