Morning, the calf does not reflect in Logix. Please send me the date of

birth, gender, dam, sire, ect - I want to capture it on my side and see what is going on.

Regards.

Afternoon, this is the last mail. On the error list, I only see 19-21. You resent 19-22 - did it show that the data went through - cannot pick it up? Please send me the birth with all the details, I will see what to do. Regards.
