Hi Marietjie,

Please could you advise how we would deal with this scenario:

Hannes du Toit has bought 2 bulls from us.

He has taken delivery of them already but only paid about ½ the invoice.

It has been agreed that the balance will be paid in August.

What should we do with regard to the records? Transfer in full to him now already, or just change the “keeper” for now, and transfer ownership when he’s paid the balance?

Appreciate your assistance.

Thank you!

Kate
