

APPALOOSA HORSE BREEDERS' SOCIETY OF SOUTH AFRICA [AHBSSA]

INSPECTION REPORT

To be completed in black ink on **BOTH SIDES** and sent to:
 Su Fairman, Registrations Manager, AHBSSA, P.O. Box 11, LADYBRAND, 9745.
 tel: 051 924 2305; e-mail: suf@adelfang.co.za

The inspection must be carried out by an inspector approved by the society.

DNA – about 20 tail hairs, complete with roots must be pulled by the inspector, placed in an envelope, clearly labelled with the animal's name and accompany this form, unless the hairs were submitted when the animal was birth notified.

Four recent clear photographs of the animal, one from each side and one each from the front and the rear must accompany this form. Please ensure the photographs clearly reveal the animal's coat colour and pattern, all four limbs and feet with their markings, facial markings and any Appaloosa characteristics. The name of the animal must be printed clearly on the back of each photograph. The following declaration must appear on the back of one photograph, dated and signed by the inspector. *"I hereby declare that the photograph is a true likeness of the animal named hereon"*

AHBSSA will advise you of the result of this inspection. If the animal has passed the inspection s/he will be registered and you will be issued with his/her official registration certificate, or the registration acknowledgement document that has been issued will be endorsed or replaced when submitted with this inspection report.
