Hi Liesel
I can confirm all our females were inspected and passed
I have 1 query
My lot 83 Heifer MII 17.104 I see her birthdate is 1/1/2017 according to logix
It should be 1/10/2017 can we amend the records ??
I must have had finger trouble when entering the birth notice
All the other lots for Midlands Imperial are fine
We should have our pregnancy details on Tuesday 21 st next week which I will forward to you soonest
Thanks for your help
Regards
Brian

Hi Liezel

Here, at long last, are the lot numbers for the catalogue. There could still be a few changes once everyone has done the pregnancy tests etc and has the results. Have also included the **sellers – to please check their own entries ASAP**. Have included as much info as I received.

Due to the Covid-19 lockdown, we are now holding a WhatsApp auction, which will **not** be under the auspices of the Society. Nico has the approval of the Council. Gert Coetsee of Net Auctions will be dealing with the sale. As you have all the animal/breeder info, we would appreciate it if you would please continue with the catalogue. Once you have it finalised, please email it to Gert and cc me.

Hope that you are staying safely at home and have all your family with you.

Should you have any questions, please contact me.

Many thanks.

Sandi
