Hi Siebert

Thankyou for your help

I have been battling to use the new electronic Birth notice system lately (internet very slow)

I have attached a excel spread sheet with 9 births to be entered

They were all single natural births no weighing was done

If you need any other info please let me know

I have a further 5 calves to do but want to confirm a few things before submitting the births

Thanks once again

Regards

Brian

Dear Mr Brian Magor

I send this mail , just to offer my assistants on behalf of SA Studbook. According to our records ,there is still some data outstanding at your Nguni database.

Will you please send in the birth notification of the 2019 calves.

Please get back to me , so that we can update your Nguni herd database

Kind Regard
Siebert Vermeulen
