Hi

Please could you check why the following animal is not on my per capita list and add it to it? If I try to reregister it, the system says there is an animal with that number but it doesn't show on my per capita list.

HW19.80 Bull calf
DOB: 26.12.2019
Sire: T15.107
Dam: HW07.479

Thanks so much,
Trevor Rous
