Naand Herman

Hier is een dier waar daar toestemming deur die Raad verleen is dat die geboorte aanvaar kan word omdat die moeder te oud is. Onder hierdie e-pos is Cecilia se skrywe en sy het ook 'n skrywe gestuur wat aan jou en Dr Japie gerig was.

1. **Teler – Rebama Stud – Lidno: 639686PZL**

- Kalf PZLFRE 200003 - Moeder PZLFSJS 150004 50 maande.

2. **Teler – Sepedi PinZ²yl Stoet – Lidno: 647965PZL**

- Kalf PZLMSPD 200003 - Moeder PZLFSPD 160007 43 maande. – Hierdie kalf is op die stelsel maar as NFR deur die stelsel. Kan jy my asb help hoekom die dier NFR is.

Lekker aand.

Sal jy asb vir my regstel.

Kind regards / Vriendelike groete

Subject: FW: MOEDERS TE OUD BY GEBOORTE VAN EERSTE KALF

Middag Marietjie

Hiermee skrywe vanaf die President van die Pinzgauer en PinZ²yl verwys. Die moeders wat laat is met geboorte van Rebama en Sepedi word dus aanvaar. Die ander geboortes kan nog nie aanvaar word van Mayomath PinZ²yl stoet nie. Hou asb die skrywe ook op rekord.

Kind regards / Vriendelike groete

Dear Sonja

We refer to the above matter and confirm the Council's resolution that members are to apply for exemption, which shall be granted on an ad hoc basis considering the reasons for the age of the heifers on first calving.

We confirm that we shall approach the members requesting them to formally submit a request, if they have not done so already (example Rebama and Sepedi). In this regard, we will have to verify the resolution granted by the Council as per the approved minutes. We shall thus revert to you in due course.

Kindly note that writer hereof will work remotely during the lockdown, having access to e-mails. Should you wish to communicate by telephone, kindly use the number 014 765 0600 as from Friday, 27 March 2020 for the duration of the lockdown.

Yours faithfully

Cecilia Prinsloo - Van der Linde
