Subject: VST 18-96 - Borrowed bull

Hi Yolanda

This letter serves to confirm that Aiden Leppan of Yellow Sands Boran has permission to use and register calves from the bull VST 18-96.

He has lent him for a period of one year from 20 August 2021 to 19 August 2022.

Please let me know if you need any other instruction from me.

Thank you
Quentin de Bruyn
