Subject: RE: Per Capita List / Per Kapita Lys -

Hi Marietjie,

I am in receipt of the per capita list – and I will attend to most of the changes on line shortly.

One problem I will need assistance with is the incorrect registration of one heifer.

I bought a number of cattle on auction in Grahamstown late last year – and the one heifer is noted as

WATERHOEK LRC 170007

This is incorrect – as I actually bought heifer

WATERHOEK LRC 170019

Is it possible for you to please delete LRC 170007 – and add in LRC 170019 FOR ME ?

I would really appreciate your assistance here.

Please let me know if you have any queries,

All the best,

Tim
